COMMENTS REGARDING STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Statements of Reasons for Allowance were forwarded in the Office Actions mailed February 23, 2007 and February 27, 2006.

MPEP §1302.14 states, in part:

Where specific reasons are recorded by the examiner, care must be taken to ensure that statements of reasons for allowance (or indication of allowable subject matter) are accurate, precise and do not place unwarranted interpretations, whether broad or narrow upon the claims. The examiner should keep in mind the possible misinterpretations of his or her statement that may be made and its possible estoppel effects.

The Examiner characterizes certain features of various claims. However, the Examiner has not recited the appropriate language for the appropriate claims as pending and allowed in the application.

By way of example, the reasons with respect to claims 14-16 in the Office Action mailed February 27, 2006 refer to a computer program product. However, claims 15-16 do not recite this feature.

The foregoing is merely meant to be exemplary, and does not point out all of the discrepancies between the Examiner's Statement of Reasons for Allowance and the claimed features of the currently pending claims.

It is further submitted that the claims speak for themselves and should not be interpreted based on the Examiner's characterizations of same. It is also submitted that the claims provide their own best evidence as to the reasons for allowance.

In summary, it is submitted that the Examiner's Statement "raises possible misinterpretations... and possible estoppel effects" (M.P.E.P. §1302.14) and is therefore improper.

Respectfully submitted,

STAAS & HALSEY LLP
